Dear Mr. Pardee:

The Roy F. Weston, Inc. (WESTON®) Superfund Technical Assessment and Response Team (START) has been contracted by the U.S. Environmental Protection Agency (EPA) to perform Site Inspection Prioritizations in Region I (New England Region). As part of this investigation, START is requesting the following general information regarding the Manchaug Water District, as per our conversation of 11 December 1995.

- The location and type of supply wells.
- The number of accounts and population serviced by each well.
- Whether or not the supply wells are part of a blended system.

If you have any questions regarding this request, please contact the undersigned at (617) 229-6430. Thank you for your assistance in this matter.

Very truly yours,

ROY F. WESTON, INC.
